

Mazak orange helps you differentiate and diversify.

Introducing the **STX Mark III RTC** 2D laser cutting system.

The new STX Mark III RTC helps you become more competitive by differentiating and diversifying the services you offer. This unique 2D laser system integrates a rotary chuck for tube and pipe cutting with the ability to tap and chamfer in a single setup on one machine.

Contact Mazak at **847.252.4500** or go to **www.mazakoptonics.com** for more information.

Cut thin sheets and thick plates
